As I mentioned to you in my letter of 22 July, I had referred your information to others better qualified than I to make a study of it. I have now been informed that they have gone over the matter, and if you should be in Washington in the near future would be available to discuss your plans with you. If it is convenient for you to be in Washington next Thursday or Friday, 6 and 7 August, a  would be pleased to see you. On either of those days he can be reached at Executive 3-6115, Ext. 3581. Feel free to call him direct, but if there is any difficulty or if you wish to suggest another date get in touch with me and I will try to make other arrangements.

Very truly yours,

Lawrence R. Houston
